Patient Portal Registration

Parent/Guardian Information

Email address: _____

First Name: _____

Last Name: _____

Child(ren) to Add to Account:

Name	Date of Birth

Once your account is created, you will receive an email with a temporary password that is active for seven (7) days. You will need to sign into the portal in order to complete your account set-up. Be sure to verify that your name and the name(s) of the child(ren) appear correctly on the screen.

Please be aware that when a patient turns eighteen (18), the record for that patient automatically becomes private. Messages can still be sent in regards to the patient; however, information in the patient portal chart cannot be viewed. The patient may grant permission to a parent or guardian to have access to the chart by completing and signing a release form. This permission can be revoked at any time at the request of the patient or at the discretion of the physician.
